Purpose

Professional development scholarships are designated for members who would benefit from the professional development opportunity of attending the UCDA Design Conference.

These scholarships are offered to help o set the expense of attending the annual UCDA Design Conference. Scholarships will be awarded based on the recipient(s) professional development benefit potential. This is not a cash scholarship, but will go towards the recipient's conference registration fee.

Eligibility Guidelines

- Applicant must be a UCDA member in good standing.
- Applicant must have been employed at least one year in his/her current position.

Restrictions

- Current UCDA Board of Directors and UCDA Foundation Board of Directors are not eligible to receive a scholarship.
- UCDA members at the same institution or company of a current UCDA Foundation Board of Director are not eligible to receive a scholarship.
- If a recipient is unable to attend the conference, the UCDA Foundation Board may select another recipient.
- Scholarships cover annual design conference registration costs only.
- Scholarships will not be awarded to the same recipient in consecutive years. Recipients are not eligible to apply for a scholarship the year immediately following their award.

Application Process

Please answer the following questions on a seperate sheet and attach to this application:

1. What are your current work responsibilities?
2. What are your future professional plans and goals?
3. What professional areas do you feel you most need to develop?
4. How will attending the conference benefit your professional growth?

Deadline

All applications must be returned to the UCDA Home Office no later than June 15.

Selection Procedures

- All eligible applications will be reviewed by the UCDAF Board of Directors, based on the applicant's professional development benefit potential.
- Scholarship recipient(s) will be notified by July 15.
- All applicant's will be anonymous when their applications are reviewed by the Board.
- All recipient's of professional development scholarships will be publicly recognized during the annual design conference
